ABOUT ME

Web developer from Sacramento, CA seeking to expand full stack coding experience.

Graduated from High School and currently enrolled in a coding bootcamp at the University of California, Davis. Enjoy using multiple languages and tools to create websites. Effective at working in teams.

Learned how to build and maintain computers through a regional occupation program (ROP) through my high school. Acquired organizational and interpersonal skills in a large, fast-paced environment as a line-cook at a leading restaurant.

EDUCATION

Elementary and Middle School Education in the United Kingdom, Oregon, and California.

Full-Stack Coding Bootcamp, UC Davis

Sacramento, CA

Jun 2019 — Nov 2019

Six-month coding bootcamp that teaches a stack of widely used web development languages.

High School Diploma, Independence HS

Roseville, CA
